

Family Preparedness Guide

Be Prepared for an Emergency

A few simple steps can make a big difference.

1

GET A KIT

Purchase or create an emergency kit. Review the checklist below for suggested emergency supplies.

2

MAKE A PLAN

Gather your family to fill out the communications and contact info forms, and coordinate how you will get in touch during an emergency.

3

BE INFORMED

Visit www.WBDReady.com for preparedness materials, and sign up for WBD Alerts to receive important information during a crisis.

READY KIT CHECKLIST

Since spring of 2020, the Centers for Disease Control and Prevention (CDC) has recommended additional items for ready kits to help prevent the spread of coronavirus or other viruses and the flu, such as masks, hand sanitizer and more.
