

## App Installation Instructions

<b>1.</b>	Search for “Blackberry AtHoc” in your device’s App Store.* Install the app.
<b>2.</b>	Launch the app. Enter your corporate email address.
<b>3.</b>	Check your email. Open the email from AtHoc and select “Verify Now.”
<b>4.</b>	Re-launch the app and wait for the screen to refresh (up to one minute).
<b>5.</b>	When prompted, enter <b>AlertsReady</b> in the organization code field.

That’s it! With WBD Alerts App installed, we’ll be able to push emergency notifications to you via the app. **If you have any questions, please contact us at [wbdready@wbd.com](mailto:wbdready@wbd.com).**

*\*WBD Alerts is powered by Blackberry AtHoc; the app does not feature Warner Bros. Discovery branding at this time.*
